Dear

About your Pension Credit

We have many different ways we can communicate with you.

If you would like braille, British Sign Language, a hearing loop, translations, large print, audio or something else please tell us using the phone number at the top of this letter.

Important note about health benefits

You have been awarded the Pension Credit guarantee credit. Because you have been awarded the guarantee credit, you are also entitled to some health benefits to cover things like dental treatment. Please see the enclosed leaflet **INF2(PC) which tells you more about this**.

I am writing to tell you that your Pension Credit will change.

This is because there is a change to the money you will have coming in and the amount the law says you will need to live on.

This means from 14 April 2023 you will get £73.60 a week.

The way this has been worked out is shown on the page called **How Pension Credit has been worked out**.

When you will get your money

Your next payment of Pension Credit will be paid by Thursday 19 January 2023 and will be £133.70. This is for the period 6 January 2023 to 19 January 2023.

Following this, a further payment will be paid by Thursday 2 February 2023 and will be £133.70. This will be for the period 20 January 2023 to 2 February 2023.

Payments will continue every fortnight thereafter on a Thursday. Payments will reach you by the day the money is due.
