DP&CE replied that emails from the executive team, presence on site, new staff forum and tracked action to findings had been implemented.</p> <p>Staff Governor:</p> <ul style="list-style-type: none"> • raised issues with providing responses to some questions in the survey, for example ‘management’ was a broad term. • stressed the need for consistency, noting that a number of new initiatives had been introduced recently and that previous activities such as Team Collaboration Time had ceased • expressed the view that there was a level of scepticism among some staff that action would be taken in relation to the issues raised – quick ‘you say, we did’ action was therefore needed <p>IP&CE acknowledged Staff Governor’s feedback and stated that Julia Gray, new Principal and Chief Executive would be meeting with staff teams early in 2023 when she started in post.</p> <p>Governors noted that all leaders within the college shared responsibility for actions.</p> <p>DP&CE stated that the staff survey and action plans would be launched to the College Leadership Team on 31 October.</p>
