

Care to Learn Scheme

Application Form 2025/26

Please complete the form using a **BLACK PEN** and **CAPITAL LETTERS**

The Care to Learn scheme can help with childcare costs while you study. You must be aged under 20 at the start of your course. The scheme is available for publicly-funded courses in England.

The scheme provides funding for childcare whilst the young parent is engaged in a study programme and is not able to provide care for their child. It can also help the young parent with any additional travel costs involved in taking the child to the childcare provider.

You can get Care to Learn if all of the following apply to you:

- you're a parent under 20 at the start of your course
- you're the main carer for your child
- you live in England
- you're either a British citizen or have a legal right to live and study in England
- your course qualifies
- your childcare provider qualifies
