

Your progression path into...

# Health & Social Care

## Example progression path

Level progression is flexible and can be made across different learning pathways depending on learner needs and preferred progression methods.

The examples below show how different learning routes can lead to the same desired profession.

### I want to be a Care Manager

**Level 2**  
Health & Social Care

**Level 3**  
National Extended Diploma in Health & Social Care

### I want to be a Counsellor

**Level 2**  
Counselling Skills

**Level 3**  
Certificate in Counselling

**Level 4**  
Foundation Degree in Counselling

JOB AND CAREER PROGRESS ROUTES

IT STARTS HERE

LEARNING AND PROGRESSION ROUTES SUBJECT AREAS

These are examples of the progression routes you could take, City of Bristol College might not offer all these courses, please speak to Advice & Guidance for more information
