

A Warm Welcome

We are delighted to be joining the City of Bristol College team in September as your catering company. Whether you are a returning or a new student, we are excited to show you some of the wonderful food you can look forward to this term from your Academy catering team.

At Academy, you will be able to enjoy a good value, daily menu which includes all of your favourites dishes. We will also be

running regular food events that bring the latest food trends and events to you. So whether that's our Ruby Railway curry events, or our Global Burrito wraps, there is always something new and exciting on the menu.

As well as being delicious, you can trust that our menus are developed by a Chef Development team and nutritionist who ensures they are also healthy, fresh and seasonal.

Feedback

Your suggestions about the catering service are important to us. If you have any ideas for what you would like to see on the menu or events you would like us to support, let us know.

You can speak to any member of the team or email us at

Groundhouse Coffee?

We know how important good coffee is, so we take care with every bean.

It goes without saying that it needs to taste great – but it also needs to do great things. Supporting the people and communities we rely on is important us, so we only source our coffee beans from co-operatively owned and sustainably managed plantations. Why not pop by and try one a delicious americano, or pick up one of our seasonal specials.

Coming Up!
